EAGLE FOOTBALL PRESS GUIDE  
AND GAME PROGRAM**

**Price: \$2.00**

**1985 AND 1986  
GOLDEN VALLEY CONFERENCE CHAMPIONS  
1985 Golden Valley Bowl Champions**

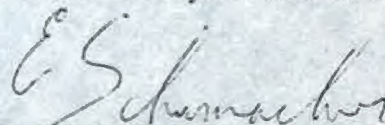

## Welcome to Eagle Football 1987

For the past several years many of us have worked diligently to develop a reasonable football athletic conference. Our success is illustrated in the schedule for the current 1987 season. We have aligned ourselves with the Bay Valley Conference and have a full schedule of conference games.

For the first time in many years the level of competition from our perspective appears to be reasonable--that is most of the schools we play are only two or three times our size. A side effect of this conference realignment was the changing of the rules for recruitment activities. Other schools in the conference have been very aggressive and competitive in seeking out the best talent in our district as well as the other areas from which we normally draw our athletes. In spite of rather stringent budget restrictions, we have, due in part to assistance from the Siskiyou Quarterback Club, managed to maintain and, possibly to some extent, improve our coaching staff.

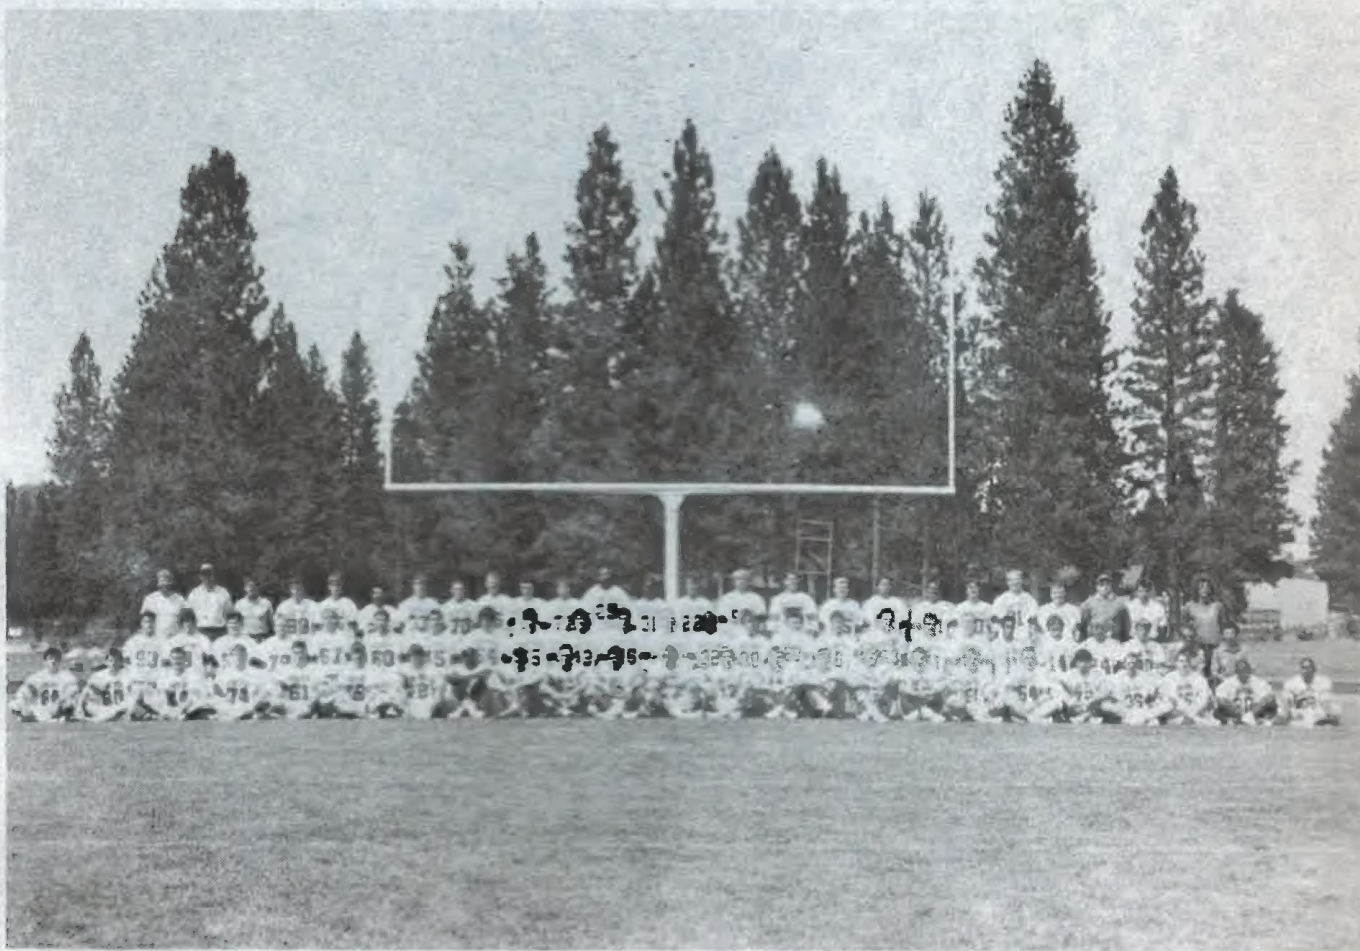

Due to the uncertainties, we cannot at this point promise you the conference championship or a bowl game. We can, however, tell you that this will likely be one of the most exciting seasons in intercollegiate athletics we have seen at College of the Siskiyous. There will be a great deal of talent on both ends of the field. As always, we know the staff and the team will do their best. We invite you to come out and help us.

Eugene Schumacher

President

College of the Siskiyous

## The Siskiyou Eagles Story

The COS athletic program began in the Fall of 1959 when the college first opened its doors at our beautiful permanent campus in Weed. A men's basketball team was organized from a full-time student body of ninety students and participated in a fourteen game intercollegiate schedule. The Associated Students of this first class selected the school's colors (blue and silver at that time), and adopted the Eagle as their official mascot.

As the enrollment increased, interest in adding varsity sports was recognized and new sports were added as funds and facilities permitted. In 1962, the commitment to campus athletic facilities was officially made with the ground-breaking for the baseball field. Previous to this, teams were sent off-campus for practices and home games. The year 1964 brought discussion and plans for a football and track stadium. The present site was chosen and the clearing of brush began with the help of the Mt. Shasta unit of the National Guard.

In the Fall of 1968 the intercollegiate football program was initiated in an effort to increase the breadth and comprehensiveness of the athletic program and to attract large numbers of students to a quality program. The football program enjoyed success and went undefeated that same year. Since 1968 the football program has brought a number of laurels to the campus, including four Golden Valley Conference championship teams and post-season playoff participation in Central and Southern California.

Eagle athletes continued to excel in all areas. The newly completed football stadium was dedicated in September 1971, and in 1972 it hosted the Golden Valley Conference Track and Field Championship. In 1981, COS' first state championship was won by the women's basketball team in a Division II title game. The Eagles baseball team were champions in their league in 1984, and were contenders in the state playoffs the last two years. And, in the spring of 1986 the track team won a sweeping victory at the Golden Valley Conference track championships--a first in the history of the track team!

As the undefeated 1985 league champions of the Golden Valley Conference, the Eagle football team went on to capture the first annual Golden Valley Bowl title, played against the Diablo Valley College Vikings. This outstanding season was the result of both the individual talents of team members and the combined efforts of a truly dedicated coaching staff. But the COS journey to this milestone victory began 27 years ago.

After 28 years of successful participation in intercollegiate athletics, including 20 years of football, the College of the Siskiyou Eagles are proud to be a continuing member of the Golden Valley/Bay Valley Conference, and look forward to another season of healthy competition in beautiful Northern California.

### PRESS GUIDE PREFACE

The purpose of this guide is to supply the members of the press as well as other interested persons, with information concerning the football program at College of the Siskiyous for the 1987 season.

You may contact Sports Information Director Bill Rothschild or Head Coach Greg Gatlin for special stories or information concerning the Eagle football squad.

NICKNAME: Screamin' Eagles

SCHOOL COLORS: Blue & white with scarlet trim

ATHLETIC CONFERENCE: Football--Bay Valley  
Other sports--Golden Valley

The Bay Valley Football Conference consists of ten community colleges in beautiful Northern California. The members are: Butte College of Oroville, College of the Siskiyous, College of the Redwoods (Eureka), College of Marin (Kentfield), Contra Costa (San Pablo), Mendocino College (Ukiah), Sierra College (Rocklin), Shasta College (Redding), Solano College (Suisun City) and Yuba College (Marysville).

The Golden Valley Conference consists of five colleges, which are: Butte, College of the Siskiyous, College of the Redwoods, Lassen College (Susanville) and Shasta.

College of the Siskiyous participates in: Baseball, Men's and Women's Basketball, Women's Volleyball, Men's and Women's Track, Men's and Women's Cross Country and Softball.

\*Golden Valley Conference game

1986 GOLDEN VALLEY CONFERENCE TRI-CHAMPIONS

## 1987 EAGLE COACHING STAFF

### GREG GATLIN, HEAD COACH

Coach Gatlin has been at the helm of the COS football program since 1981 and has amassed an impressive 43-17 won-lost record during this period. His achievements also include three Golden Valley Conference Championships and the Golden Valley Bowl title in 1985, the first playoff victory in COS' history. Gatlin also served as Assistant Coach and Defensive Coordinator for the Eagles between 1973 and 1980. The Eagles won two GVC Championships during this period.

He recorded solid performances at Santa Rosa Junior College and Whitworth College in Spokane during his college years where he served as starting quarterback. An intense student of the game, Gatlin has served as Graduate Assistant Football Coach for Whitworth, Guest Coach for the Winnipeg Blue Bombers Canadian professional football team, and helped to organize the Lion's Club Annual Football All-Star Game in Northern California. Coach Gatlin has also fulfilled roles as Head Track Coach, Women's Basketball Coach and Student Activities Director at COS.

### PHIL MAAS, ASSISTANT COACH

Coach Maas arrived at COS in 1981 with impressive credentials from his previous coaching assignments. As Head Coach of North Monterey County High School in Castroville, Maas amassed a healthy 39-13 overall record and chalked up four consecutive league championships and a regular season winning streak of 23 games. He also served as Assistant Coach at College of the Desert and Head Coach of Coachella Valley High School. A graduate of the University of California at Santa Barbara, Coach Maas' collegiate football career at UCSB and the University of Washington was shortened by an injury.

While at COS, Maas has served on four GVC Championships in his assignment as Offensive Coordinator and has helped install the "Fly" offense that is currently being used by the Eagles.

### DENNIS ROBERTS, ASSISTANT COACH

An all-league performer in football at Yreka High School during his high school years, Dennis enrolled at College of the Siskiyous in 1977 and played on the first Golden Valley Conference Championship team that same year. As a result of his performance, Dennis was named an all GVC defensive back. After transferring to Southern Oregon State College, Dennis achieved All-Evergreen Conference, All-Northwest and Honorable Mention NAIA All American Honors for his efforts in football. Starting his third season of coaching at College of the Siskiyous, Coach Roberts is responsible for the Defensive Secondary.

### BYRON McLANE, ASSISTANT COACH

Upon graduation from Happy Camp High School, and participating in the Northern California Lion's High School All-Star Game, Byron enrolled at COS in 1980. During his football playing years at COS, Byron registered stellar performances as an offensive lineman and played on the COS Golden Valley Conference Championship teams in 1980 & 1981. After transferring to Chico State, McLane performed as an offensive

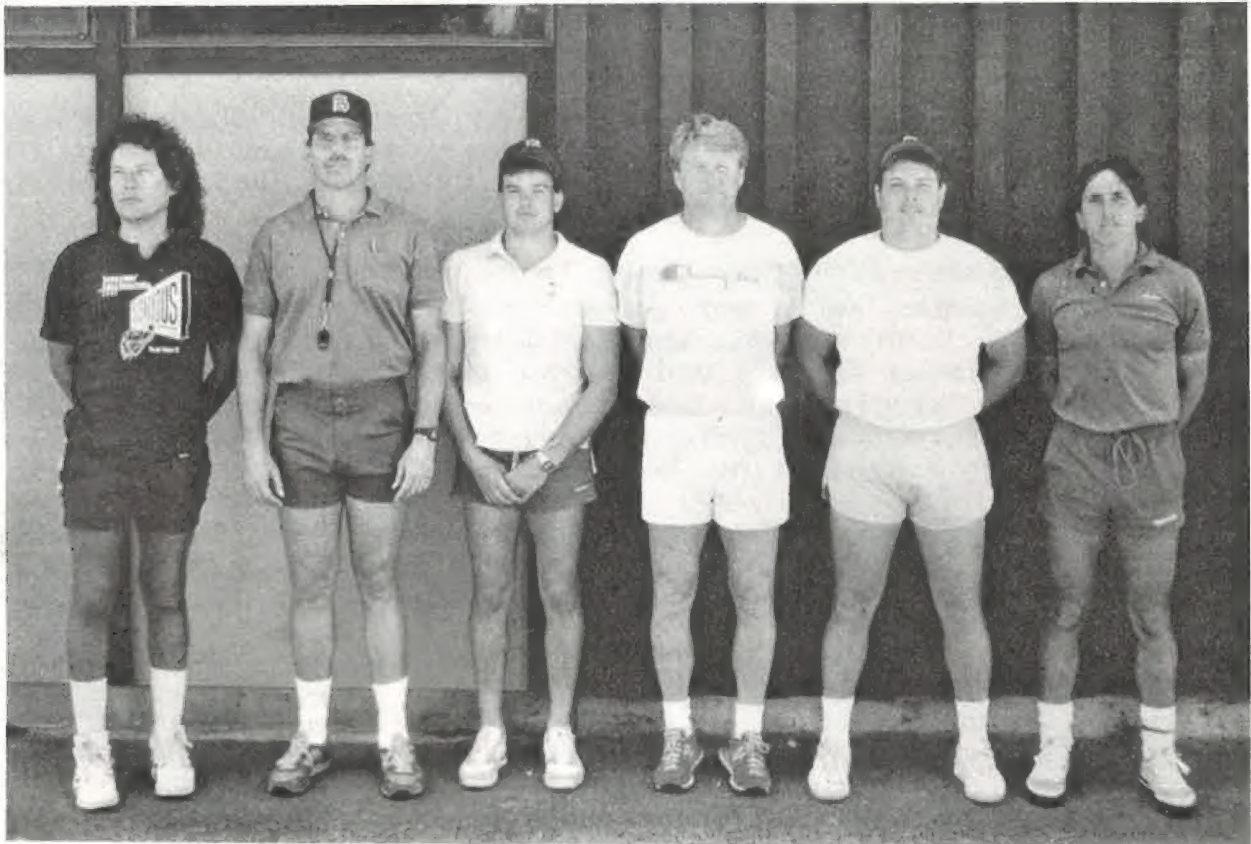

lineman and was a star performer on the specialty teams. Coach McLane is assisting with the Defensive Line and Special Teams. He is in his third year of coaching for COS.

ROBERT SANCHEZ, ATHLETIC TRAINER

Since 1977 Rob Sanchez has been the first and only trainer that COS has ever had. Noted for the excellent rapport he establishes with both male and female student athletes, Robert has been instrumental in the establishment of a comprehensive training program at COS. Included in this program is a pioneering knee-brace program which has protected the athletic career of many COS players. A graduate of Humboldt State, Rob studied training techniques under the legendary Cedric Kinzer at Humboldt and Al Esquivel at San Diego City College. Robert has taught training techniques to local high school coaching staffs and youths and works closely with the medical community in his caring for athletic injuries.

TIM FRISBIE, ASSISTANT COACH

Assuming the responsibilities of managing the Offensive Line, is first year Coach, Tim Frisbie. Tim played his high school football at Medford High School in Oregon where he was picked as the Most Valuable Player of the defensive line for his stalwart play at the guard position. Coming to COS, in 1982, Frisbie switched roles and starred as an offensive guard, earning the Most Valuable Player award of the offensive line. Tim is currently finishing his Bachelor of Arts degree in Physical Education from Linfield College in McMinnville, Oregon.

## HERSCHEL MEREDITH STADIUM

In 1983 College of the Siskiyous Stadium was renamed Herschel Meredith Stadium by the college's Board of Trustees in honor and memory of the late Herschel A. Meredith, O.D., President of the Board of Trustees from 1963-1981.

Dr. Meredith was a strong supporter of the student-athlete concept and the COS athletic program; his support for the initiation and development of a quality football program at the college gave strong impetus to its numerous successes over the years.
